# Form I – Declaration of Interest

## New Efficient Construction Grant

\* Mandatory fields

### Declaration

The participant hereby wishes to advise Énergir of his/her intention to participate in the New Efficient Construction Grant covering the facilities at the address indicated above. The participant understands that, in order to benefit from this Grant, the energy simulation and the review report must respect the eligibility criteria and all the terms and conditions of the Grant, as described in the *Participant's Guide*.

The participant acknowledges having noted the eligibility criteria and all the Grant's terms and conditions, as described in the *Participant's Guide*, and confirms his/her respect of those terms and conditions.

The participant declares that the information provided in all the documents submitted in connection with his/her participation in this Grant is accurate and complete. The participant acknowledges that any false declaration may lead to a full repayment of the financial assistance awarded by Énergir.
