

Mission

Our mission is to provide increasingly sustainable ways to meet the energy needs of the customers and communities who depend on us. We offer competitive, diversified and innovative solutions.

Vision

Énergir will be the partner of choice for those striving for a better energy future.

Values

Because energy is at the heart of society, we **collaborate** with players from all sectors.

Because communities understand their own needs better than anyone, we pride ourselves on customer **proximity**.

Because customers' needs change in relation to their challenges, **innovation** plays an important role in all that we do.
